No.10

April 17, 2020

With the blessings of His Grace The Right Reverend Irinej, Bishop of the Eastern American Diocese of the Serbian Orthodox Church, as a gesture of goodwill, the Department of Christian Education of the Eastern American Diocese has decided to upload a pdf version of the **Bilingual Educational Magazine - Pascha 2020** to the Diocesan webpage, as we all look forward to the Feast of the Glorious Resurrection of our Lord Jesus Christ.

Therefore, due to the Covid-19 pandemic, the printed version of the Diocesan Educational Magazine, will not be distributed this year.

We use this opportunity to share this email with all of You as a small token of affection during this unprecedented pandemic, with the hope that You will enjoy all our illustrations and texts in this year's edition of the Pascha Educational Magazine.

With our warmest greetings to You and Your families during this Holy Week, we wish You the blessed Feast of the Glorious Resurrection, the Pascha of the Lord:

**Christ is Risen!
Indeed He is Risen!**

Yours in the Risen Lord,

Very Reverend Protodeacon Dr Jovan Anicic, Director
Department of Christian Education
of the Eastern American Diocese
